Team: 12:30-3:00 (6th through 8th Grades)

No Meeting on Tuesday, February 21

In Forensics, students select, prepare and practice drama and speech presentations for performance at interscholastic contests. Contests are held every three weeks or so and are open to 6th through 8th graders. Non-competitive workshop activity is open to 5th graders as well. League activity occurs on Sundays in order to accommodate all of our league's member schools. Some contests run from 9-1:30 while others run from 9-4:00. Details regarding dates and locations will follow.

Each Tuesday, we begin with a half hour for lunch (STUDENTS ARE REQUIRED TO BRING LUNCH, INCLUDING DRINK: NO NUT PRODUCTS, PLEASE) followed by warm-up games, focused exercises and performance work. After workshop participants depart, team members work on their contest presentation materials.

Fifth graders may sign up for the Forensics Workshop. Sixth through eighth graders may choose between the Forensics Workshop and the Forensics Team. **Those choosing to sign up for the team are expected to make a serious commitment to the competitive program, entering at least one contest per term.**

PARENTS: *Please note that your participation in the competitive program as contest judges is a must.*
