

## **Middle School Science and Health Teacher** Position Description

Nashoba Brooks School is a co-ed preschool and lower school and an all-girls middle school with an enrollment of 300. The school is committed to personal excellence in academics, athletics and the arts within its mission of preparing students for "...a life of continuous learning, accomplishment, and leadership in a diverse and changing world." Nashoba Brooks is committed to providing an anti-bias education. We believe that diversity enriches our perspectives, strengthens our community and challenges individuals to become agents of change in creating a more fair and equitable world.

Nashoba Brooks School seeks a full-time Middle School Science Teacher, with a strong desire to work in a dynamic, student-centered school committed to continuous learning and excellence in 21st century education.

### **Skills**

Strong candidates will demonstrate:

- Excellence in integrated curriculum development, lesson planning, technology integration, and formative use of student assessments for students in Grades 4-8.
- Excellent written and oral communication skills.
- Ability to teach students with diverse learning styles.
- Proactive teacher-parent interaction and communication.
- Commitment to professional development and the pursuit of life-long learning.
- Ability to manage new initiatives from concept to completion.
- A proven track record of efficient project management and problem solving skills with the ability to initiate and complete multiple tasks, independently or collaboratively, as required.

### **Qualifications**

- Bachelor's Degree required, Master's Degree preferred
- Minimum of three years experience teaching science and health to middle school students
- Demonstrated commitment to continuous learning at both the individual and institutional level
- Commitment to supporting school community and culture through additional duties such as student supervision, planning of community events, etc.

The successful candidate will model integrity, curiosity, responsibility, creativity, and respect for all persons, as well as a demonstrated commitment to advancing the school's core values of diversity, service learning, and character education.

### **Application**

Interested candidates should submit a cover letter, résumé, and three references to [science@nashobabrooks.org](mailto:science@nashobabrooks.org).
